As this publication goes to press...

March brings us yet more reason to celebrate here in South Florida, but don't forget to set your clocks AHEAD early Sunday morning. You don't want to be late for church! Remember the saying, "Spring forward"! And won't it be wonderful to have longer days to enjoy!

The wearing of the GREEN comes on Wednesday the 17th. St Patrick's Day is a great holiday to celebrate with our fellow Irish Americans. Get in the spirit and try some corned beef and cabbage (or perhaps some green beer!). "They would paint for 80 minutes."

Spring officially begins this month on the 20th. There are two very important religious events this month: Palm Sunday is on the 28th and the first day of Passover is on the 30th. Start looking for that special Bonnet, Easter is almost here!

THINGS WE DON'T WANT YOU TO MISS

This month offers you many opportunities to find a St. Patrick's Day party. Everyone needs to feel Irish once in a while! John Martins on Miracle Mile has it's annual community shindig with lots of people, food and drink. I'm sure there is room for YOU too!

The recently opened Mambo Café, a dining, wine, and entertainment establishment located at 2093 Coral Way will be celebrating its first St. Patrick's Day with 2 for 1 beers from all over the world. Stay and listen to live music and have some Ropa Vieja "Old Clothes" the Cuban way. They have some of the highest ranked wines found at the lowest prices in town.

The Herald also carries information about other celebrations. You can also host your own. Put on some green and invite some friends!

The DADE COUNTY YOUTH FAIR is in town starting March 25 through April 11,2010. We are offering ticket sales again this year. Tickets will be on sale in the Gift Shop Monday –Friday 8:00am-7:00pm, through March 23rd. For any questions please contact Sheila Otero, Employee Events Coordinator at X83192. Plan for the entire family to BE THERE at the Fair.

DOCTOR'S CONUNDRUM

A man can paint a room in four hours, and another man can paint the same room in two hours. How long would it take to paint the room if they worked together?
