PAYMENT OPTIONS

Paid in Advance Fees can be paid in full by cash, check, or charge.
 Monthly Payments Pay each month through automatic credit card or checking account deductions.

*ADDITIONAL FAMILY

Additional family includes spouse and/or other family members residing in the same household. Price is per member. The primary membership must remain active for family members to continue receiving family rates.

**ENROLLMENT FEE: BASIC

Covers the cholesterol and glucose testing, health & fitness assessment, and initial workout consultation. Additional family members must each pay this fee.

**ENROLLMENT FEE: PLUS

Covers the regular testing PLUS a metabolism test with our registered dietitian which tells you how many calories per day you burn. This is very important information when determining how many calories one should consume per day.
