

# Doctors Hospital

## About Doctors Hospital

Doctors Hospital opened its doors in 1949 as a not-for-profit hospital. Doctors Hospital, a part of Baptist Health South Florida, is a 281-bed, acute care facility. Our hospital enjoys a reputation for excellence in patient care and specializes in orthopedics, sports medicine, laparoscopic surgery and neuroscience, including Gamma Knife radiosurgery. In addition, Doctors Hospital has a dedicated and highly qualified medical staff and other professionals who provide personalized, compassionate healthcare services.
